## **Challenge Day 4:** **Design Your Dream Biz**

I want you to envision your dream business.

Take away all fear, logistics, limitations, and "how to's" and just be present to the dream. Don't play small here, DREAM BIG - that hairy scary goal is what we're looking for here.

The seemingly impossible, "is this real life?" kind of dream. Once you've got that vision clear in your mind, answer the following questions with as much specificity as possible (use a separate piece of paper if needed).
