Dear _____ **(insert your name here)**,

It's _____ **(date one year from today)** and I know this year started off pretty bumpy, but I wanted to write you to let you know - YOU TURNED IT AROUND and this year has been ABSOLUTELY _____ **(pick a powerful word you connect with for AWESOME)**.

You might even say that THIS YEAR was LIFE-CHANGING for the better! WE DID IT! Your business is _____ **(another word for crazy successful)**! This year - you were able to accomplish _____ **(crazy goal #1)** in record time.

You _____ **(crazy goal #2)** that allowed you to _____ **(mission accomplished reward)**.

AND we even got to share our wins and successes with a community of others who just flat out GET IT and they've been instrumental in helping you see what's really possible for you!

Now, I know what you're thinking "Ok _____ **(insert your name here)**, if what you say is true... HOW? HOW did this _____ **(pick a powerful word you connect with for Awesome)** year come to be?"

You know that cheesy saying about overestimating what you can do in a day, but underestimate what we can do in a year. Turns out - it's pretty on point.

YOU _____ (**another word for changed**).

YOU made _____ (**insert your biggest obstacle**) your bi-otch and totally overcame it!

YOU are the one who is responsible for turning a year of uncertainty and _____ (**what dis-empowering thoughts have you had about your business over the last 60 days**) and YOU TOOK BACK THE POWER!

Your _____ (**desired business skill #2**), HANDLED!

Your _____ (**desired business skill #3**), SLAYED!

Most importantly you FINALLY MASTERED _____ (**desired business skill #1**) and now it's no longer something you're confused or held back by.

And it feels so dang _____ (**adjective for good**)! What you do next, makes all the difference.

After you read this letter back to yourself, you're going to have the chance to make a decision to change your business AND your life for the better.

That's the decision to join *The Lashpreneur Society*. It's because of the decision you make to join a community of like-minded beauty business owners that you found the support, the training, the coaching and the ideas to get where we are today - a year from the date you're reading this.

And because you made the decision to be a part of this program or you decided to go it alone, I am able to sit here today with enough time, money and freedom to write you this letter of thanks.

Seriously, because of you.... This year was truly life changing! I can't thank you enough for chasing your dreams!

And it all starts NOW.

I'm proud of you,
